

The **VUFOLD**
difference.
It's in the detail.

External bifold doors,
sliding patio doors, French doors.
Internal bifold doors & room dividers.
Front doors, windows & roof glazing.
Heritage doors & windows.

Our mission.

We exist to enhance the homes of our customers with excellent quality products while providing friendly and knowledgeable customer guidance and support before, during and after purchase.

As a family business, our aim has always been to create products we'd want in our own homes and treat our customers how we'd expect to be treated. **We believe the difference is in the detail** and we're dedicated to making the buying process as simple and seamless as possible.

"From the first communication going through all the details making sure that all my sizes were correct to the final delivery confirmation the process was perfect, the door quality was amazing. It looks great fitted, the best door on the street by far!"

★★★★★ Anthony Rand

"Great quality product and very professional company."

★★★★★ Clive Hemsley

We're proud of our expertly crafted products, designed in the UK - and made in one of our state-of-the-art factories. We're so confident in our collection, we even give a minimum 10 year guarantee on all our doors and windows with up to 20 years on some ranges - unlike the 2 years some manufacturers offer.

And no other manufacturer comes close to giving you as much care and attention as we do. Our friendly end-to-end customer service team pride themselves on supporting our customers every step of the journey. They are always on hand to guide you through the initial ordering process, guaranteeing delivery and double-checking everything - even after delivery, to make sure the whole process runs like clockwork.

Amazing...that's what our customers think...

"Excellent customer service from start to finish and doors are solid & top quality. Would have no hesitation in recommending."

Ben Gerrard ★★★★★

"Fantastic product and one of the best companies I've ever dealt with. Doors made to an excellent standard and great value."

John Christie ★★★★★

"Wow! Other companies should take a leaf out of Vufold's customer service manual!"

Liam Parker ★★★★★

The Collection.

Whichever product you choose from our Collection, you can simply feel the quality. Each is robustly constructed to last, with guarantees of up to 20 years across the range. Every detail is beautifully engineered for perfection and designed to make a true style statement in your home.

External Bifold Doors

Add light and space to any room with our fabulous range of external bifold doors, available in a range of materials and finishes to suit any project.

Our aluminium bifolds are fully customisable to suit any application and come in two styles: the first with slim sight lines and one-piece threshold for a seamless in-to-out transition, the second with a stylish, industrial look.

For a gorgeous natural look, our oak bifold doors feature an engineered hardwood core with American white oak veneer, beautifully crafted yet elegantly slim. Alternatively, our best-selling engineered hardwood timber bifolds come in classic white or on-trend anthracite grey finish.

Sliding Patio Doors

Sliding patio doors flood your living space with natural light and offer uninterrupted garden views – available in UPVC or crafted from the best quality aluminium, both feature superior hardware and advanced engineering to make them easy to operate.

Available in the popular colours of grey, black and white, our inline sliding doors feature slim sight lines and ultra-smooth sliding rails, while our stunning lift and slide doors are bold, beautiful and extremely energy efficient.

Heritage Doors & Windows

Designed to add a touch of classic elegance to a modern space or a vintage ambience to a traditional home, our range of heritage internal and external doors will prove ideal.

All use premium hardware, hinges and roller systems with our aluminium ranges featuring large expanses of glass and super thin frames for maximum light, while our wooden internal bifolds and French doors have a contemporary design ideal for an industrial look.

Internal Bifold Doors & Room Dividers

A brilliant way to gain more natural light, space and flexibility. Whether you choose bifolds, French doors or sliding doors, our internal doors and room dividers change your home from open plan to cosy intimate space in no time.

External French Doors

Our French doors are available in engineered timber, real oak veneer, aluminium and UPVC finishes to add the ideal finishing touch to any project.

Front Doors

It's the ideal way to make any entrance grand. Our range of stunning front doors makes the very best first impression, with contemporary and traditional styles available – all offer exceptional thermal efficiency and enhanced security.

With wooden, composite and aluminium door ranges in virtually any colour, there is something to suit every home.

Windows

Beautifully crafted to add a superior style to your home, all of our windows are available in UPVC or aluminium, with casement, flush casement and tilt turn options available.

All are extremely thermally efficient and can be double, triple or security glazed. Our windows feature the highest quality profiles, slim sight lines and excellent security.

Roof Glazing

Adding a real wow factor to any extension, our stunning contemporary aluminium roof lights and lanterns have a thermally efficient core. Available in a choice of five powder coated finishes and with three different glass options, our range covers both traditional and contemporary styles.

AluSpace

Bring timeless elegance and modern versatility to your interiors with Vufold's AluSpace range of aluminium internal doors and screens.

Inspired by the classic appeal of steel doors and heritage-style glazing, AluSpace combines ultra-slim aluminium frames with clear or reeded glass to create light-filled spaces with a contemporary edge.

The collection offers single doors, French doors, and sliding doors, all available with or without fixed sidelights and fanlight options for a truly bespoke finish. For a seamless solution, choose a pocket door system that glides effortlessly into the wall, perfect for saving space while maintaining a sleek design. Beyond doors, AluSpace includes fixed screens and partitions, with shaped frame options to suit any architectural style.

Single Doors

Sliding Doors (including pocket doors)

French Doors

Whether you're creating a modern loft aesthetic or a heritage-inspired room divider, every element can be customised to your exact requirements. Choose from a wide range of colours—though our signature black remains the most popular—for a look that complements your interior perfectly. With the flexibility to configure layouts and glazing styles, AluSpace helps you design the ideal solution for your home or workspace, combining style, practicality, and individuality in one stunning range.

- ▶ **Custom Sizes and Configurations**
- ▶ **Fixed screens and partitions, including shaped frames**
- ▶ **Custom colours**
- ▶ **Make your door your own**

Choose Vufold and you can be sure of an excellent quality product with seamless end-to-end customer service plus all the options to make your project just right for you.

"We visited the showroom and were immediately impressed with the quality, excellent design and engineering of the doors. The next day we placed an order which arrived and was fitted 3 days later. The fitted doors look amazing. We highly recommend Vufold for their excellent quality, service and value for money."

Phillip Lewis ★★★★★

Configurations, sizes and glazing

We offer a range of off the shelf and bespoke sizes across many of our external doors and window ranges and with our state-of-the art production facility there are no limits on our glazing options either - with single, double or triple glazing to suit your thermal or security requirements. Whatever you need, we've got it covered.

Guarantees

The products within the Vufold collection all come with a minimum 10 year guarantee - significantly longer than most manufacturers - and up to 20 years on some ranges.

Sustainable manufacturing

We care about where our raw materials come from. All our wood is FSC certified and timber waste is minimised during production. 35% of our aluminium is recycled and combined with minimal packaging and long guarantee periods, keeping the product in use for longer - Vufold offers a truly sustainable solution.

Handles and door catches

Vufold has a host of accessories to add the perfect finishing touch to your project with a range of handles, door stops and catches - all beautifully crafted and colour matched to your chosen doors and windows.

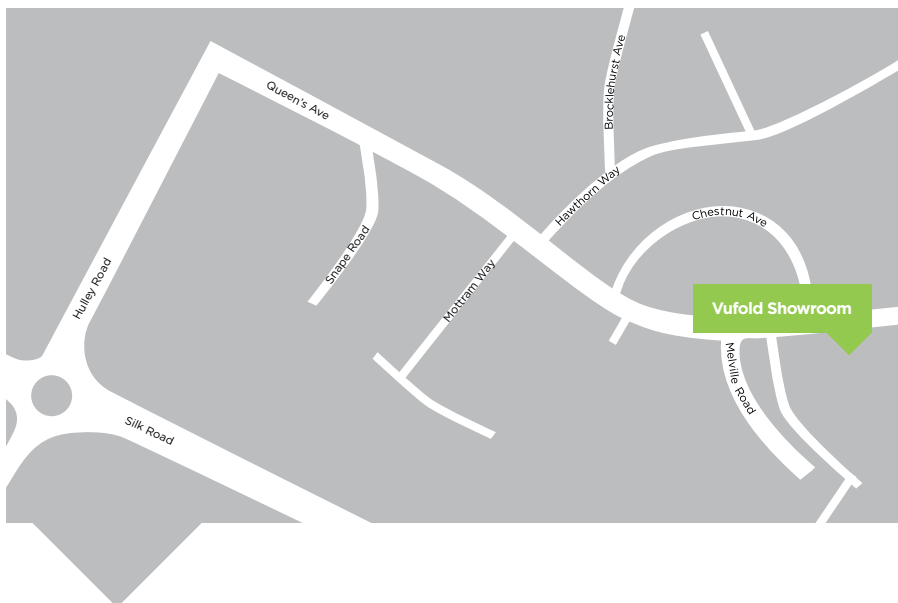

Blinds

The perfect finishing touch, our integral blinds are designed to fit your Vufold internal, external and French doors beautifully. Our pleated blinds' concertina design makes them incredibly sleek and discreet, and gives you instant control over temperature, privacy and shade.

Expert fitting

Once you've placed your order, naturally you want the installation to go smoothly. The range is designed to be easy to fit as well as easy to maintain and our team of expert fitters are on hand to ensure your doors and windows are fitted beautifully, with perfectly balanced glazing so operating them is a breeze.
